ENTERPRISE REPORTING

"I wanted to congratulate you on hitting a home run. I feel you did a wonderful job of setting out the legacy of JQH. I just finished the article. While issues always surrounded his pursuits, our community is a far richer place because of them. Your challenge in the forward to our community I found inspiring. It was perfectly laid out. You inspired an old fellow like me. I really feel it should be used as a mission statement for all of us in the community to move our city forward. You 417 folks added a page to his/our book. May the "legacy" continue."

—Gordon Kinne, Med-Pay, Inc

FROM THE LEGENDS TO THE START UPS, MEET THE PEOPLE BEHIND THE BUSINESS.

"Just a quick note to thank you and the whole team for such tremendous work on the 'Why Not Here' issue. You covered a lot of ground on some pretty complex issues, made those issues understandable... and still managed to give the whole thing a very inspirational feel! No easy task, but very well done."

—Matt Morrow,
Springfield Area Chamber of Commerce
